The screenshot displays the PRTG Network Monitor interface. At the top, there is a navigation bar with tabs for Home, Devices, Libraries, Sensors, Alarms, Maps, Reports, Logs, ToDos, and Setup. The 'Alarms' tab is active. Below the navigation bar, there are statistics for 'New Log Entries' (4), 'ToDos' (3), and a summary of alarm counts (1 critical, 10 warnings, 781 OK). The main section is titled 'Current Alarms and Warnings' and contains a table of sensors with alarms.
